How to implement Product Conformity Certification Schemes of Construction Materials & Products for Manufacturers and Suppliers

Ir. C.K. Cheung
**Hong Kong Concrete Institute &
Hong Kong Institution of Certified Auditors**

Abstract:

This seminar highlights key issues for manufacturers and suppliers in implementing product conformity certification schemes for their construction products (such as passive fire protection products, cement products, tile adhesives, ceramic tiles, repair mortars and others).

Speaker:

Ir C K Cheung is a Vice-President of Hong Kong Concrete Institute and one of the key committee members in drafting product conformity certification schemes of pasive fire protection products, cement products, tile adhesives, ceramic tiles, repair mortars and others.

Date : 14 February 2011 (Monday)
Time : 6:30 pm – 8:00 pm
Venue : Rm Y304, The Hong Kong Polytechnic University, Kowloon.

Registration fee: Free of Charge

Free attendance but places are limited.
