

11th International Conference

ASCCS 2015

**ADVANCES IN STEEL-CONCRETE
COMPOSITE STRUCTURES**

(First Announcement)

December 3-5, 2015

**Tsinghua University
Beijing, China**

KEY DATES

Abstract Submission Deadline: January 31, 2015

Author's Notification: March 1, 2015

Final Paper Submission: June 1, 2015

Final Paper Acceptance: August 15, 2015

End of Early-Bird Registration: October 1, 2015

Conference: December 3-5, 2015

IMPORTANT MESSAGE

After the success of the 10th ASCCS conference held in Singapore in 2012, the upcoming 11th international conference on "Advances in Steel-Concrete Composite Structures" (ASCCS 2015) will be held in Tsinghua University, Beijing, China. The conference is intended to provide a forum to discuss the recent progress and advances in the research, design and practice of steel-concrete composite as well as hybrid structures.

ABSTRACT SUBMISSION

The conference covers topics on (but not limited to) any research area in steel-concrete composite structures. Submission of abstract is now opened, please submit your abstract of no more than 500 words to the conference e-mail address.

CONTACT

Address: Heshanheng Building, Tsinghua University, Beijing, 100084, China
E-mail: ASCCS2015@tsinghua.edu.cn

Organized by

Department of Civil Engineering, Tsinghua University
