Seminar Theme
Contemporary Iconic Structures

This seminar is an important forum for structural engineers and related professionals. It is an ideal platform for practising professional, academia and professionals of relevant fields to share and keep abreast of contemporary iconic structures and latest development in structural engineering. It is our great honour to have Ir S S Lee, GBS, JP, Chairman of Construction Industry Council to be our Guest of Honour. It is anticipated that the seminar will attract over 300 participants from different sectors of the engineering and construction fields.
